Peachtree Music Festival brings together the most dedicated young string players across metro Atlanta for an adjudicated competition and an encouraging festival — celebrating artistry, musicianship, and the courage to perform. Your sponsorship puts your brand in front of an engaged, family-rich audience of students, parents, and teachers while directly supporting youth music education in our community.

WHY PARTNER WITH US

A premium local audience. Families who invest in lessons, instruments, and enrichment — exactly the customers local businesses want to reach.

Real visibility. Logo and name placement across the website, printed program, signage, and social channels — plus press outreach.

Flexible & local. Cash or in-kind, presenting-level to friend-level — we'll tailor a fit.
